ANNOUNCEMENT

To all Staff and Students

Certificates for 2018 Graduands

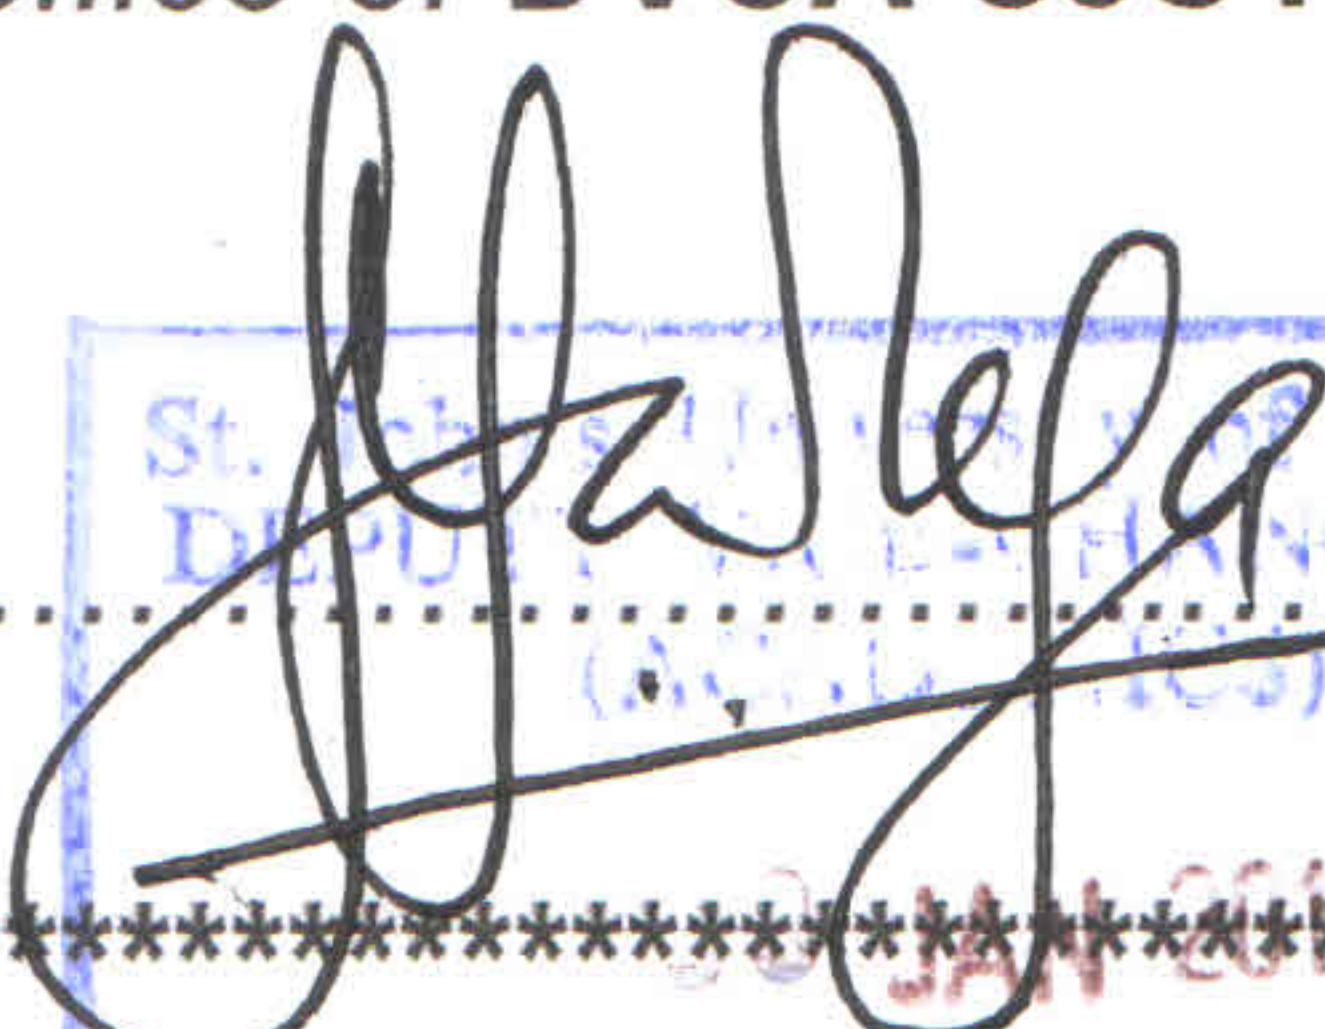

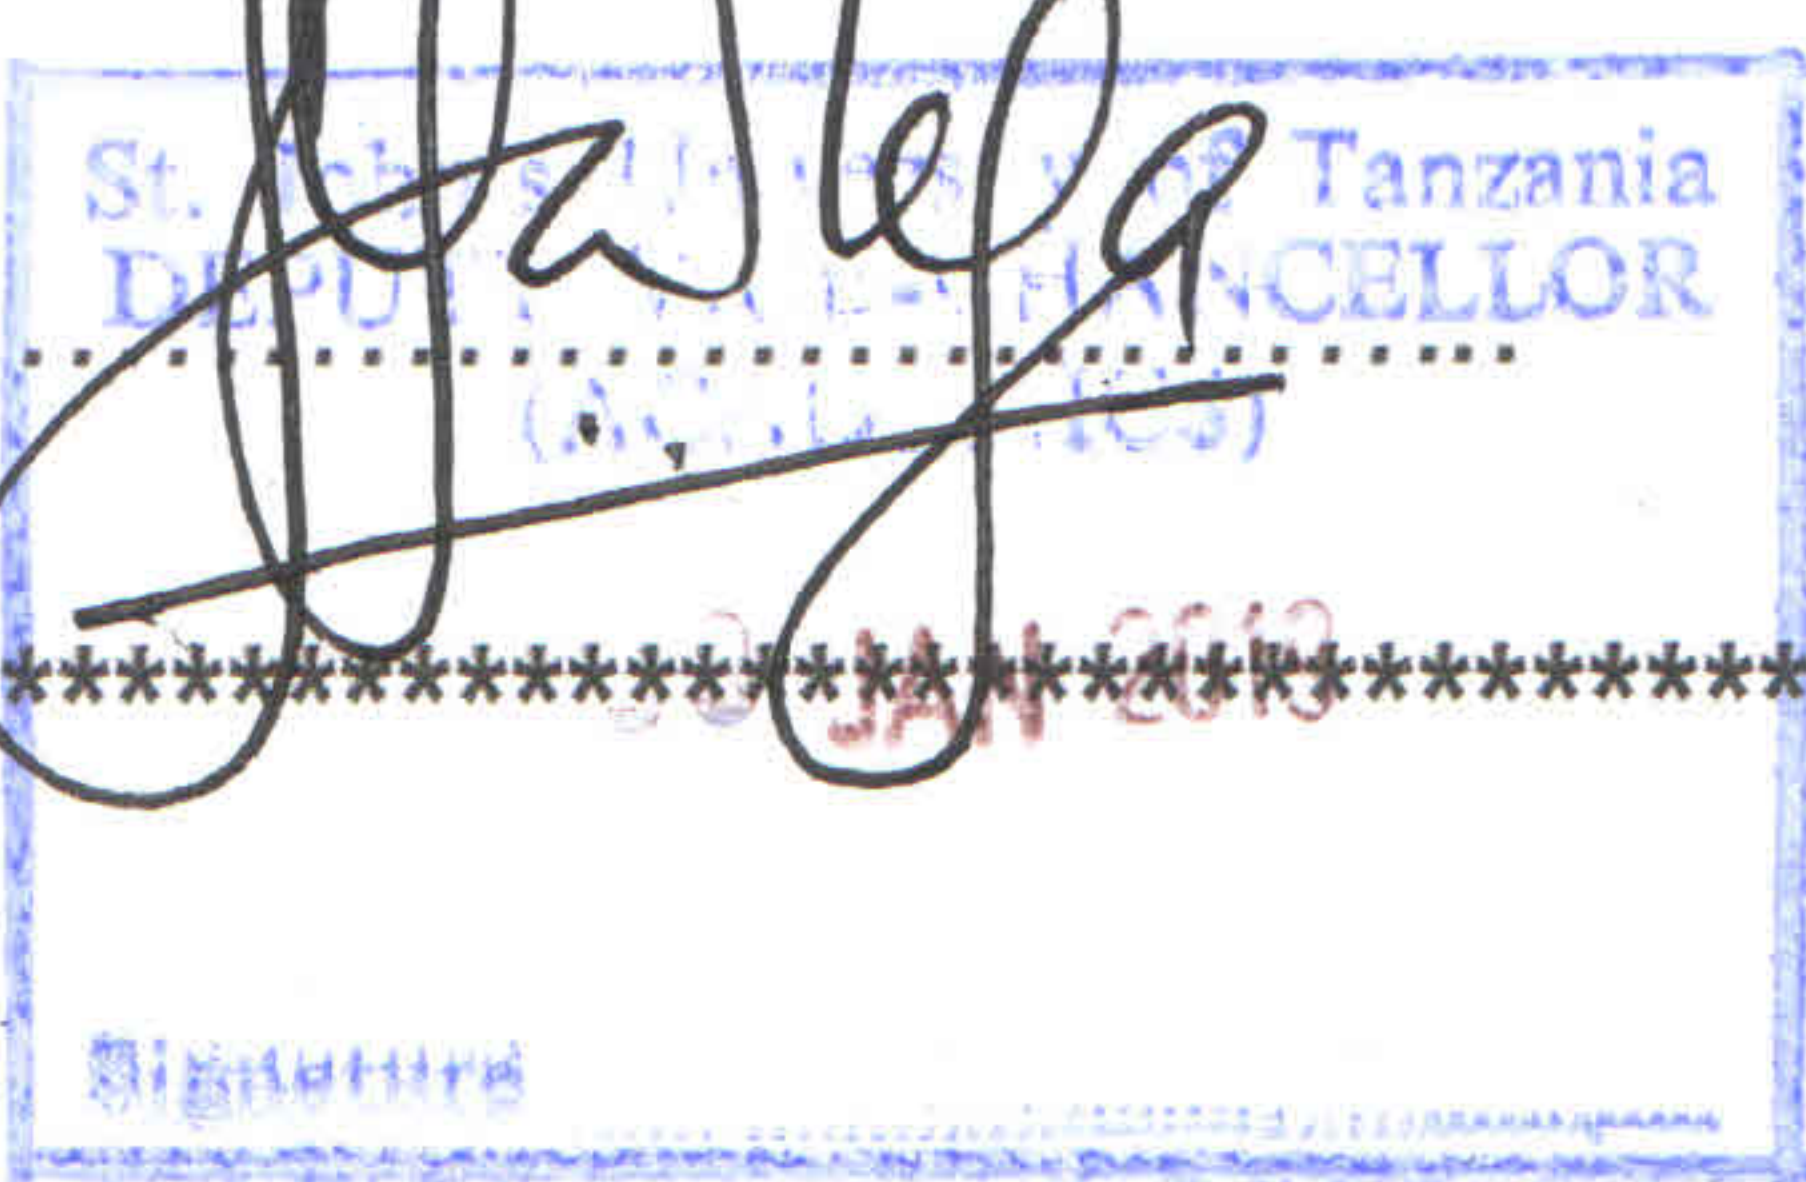

The University Management would like to bring to the attention of all staff and students who graduated in 2018 about issuing of the University Certificates.

The SENATE has approved the design of the New Certificate with the new Logo for printing. Due to the additional requirements of adding new security features the Management is exploring various options to enable the certificates be printed without much delay.

The outsourcing of printing companies have taken longer than expected. This has created a delay in issuing the certificates.

The University Management is doing everything possible to ensure the certificates are available to all graduands and in the quality befitting University tokens.
